Superintendent Horne,

In response to the Project Investment Justification (PIJ) for the **"Educator/Licensure Certification Replacement System"** project, the Arizona Department of Administration (ADOA) Strategic Enterprise Technology (ASET) office has reviewed your proposal to develop a modern cloud based solution to develop a new Educator Certification System. The new system will provide educator licensure/certification services online improving the quality of service.

The PIJ implies funding is available from the Base Budget and Federal funds in the amount of \$2,412,591.00 for the total estimated five-year life cycle cost for the project, which is shown below.

All Figures in Thousands (\$000)						
Cost Description	FY2023	FY2024	FY2025	FY2026	FY2027	Total

Development Costs	1525.9	0.0	0.0	0.0	0.0	1525.9
Operational Costs	0.0	203.2	214.9	227.4	241.1	886.6
Total Project Costs	1525.9	203.2	214.9	227.4	241.1	2412.5

The PIJ is scheduled to be **reviewed by ITAC on Jan 18, 2023**. Should the ITAC approve the project, you may then proceed to secure additional approvals as required from the Joint Legislative Budget Committee, the Office of Strategic Planning and Budgeting, and the State Procurement Office.

As always, let us know if you have any questions.

--
