Director Byers,

In response to the Project Investment Justification (PIJ) for the "Electronic Enhancement Monitoring" project, the Arizona Department of Administration (ADOA) Strategic Enterprise Technology (ASET) office has reviewed your proposal to Legislature via SB 1720, Section 113 (H)(2) the opportunity to engage in a pilot project for an application (app) that offers probation and pretrial officers the chance to monitor supervisees through new electronic monitoring technology.

The PIJ implies funding is available from APF, Other Non-Appropriated in the amount of \$5,000,000.00 for the total estimated five-year life cycle cost for the project, which is shown below:

All Figures in Thousands (\$000)						
Cost Description	FY2024	FY2025	FY2026	FY2027	FY2028	Total
Development Costs	1968.6	3031.1	0.0	0.0	0.0	4999.7
Operational Costs	0.0	0.0	0.0	0.0	0.0	0.0
Total Project Costs	1968.6	3031.1	0.0	0.0	0.0	4999.7

The PIJ is scheduled to be reviewed by ITAC at the October 18, 2023 meeting. Should the ITAC approve the project, you may then proceed to secure additional approvals as required from the Joint Legislative Budget Committee, the Office of Strategic Planning and Budgeting, and the State Procurement Office.

As always, let us know if you have any questions.

Thank you in advance for all your support.

Best Regards,

Les Carey

SR Oversight IT Analyst
